M/TUG SERHAT BEY 1

As PGE Tugs, we commenced our maritime activities in 2020 alongside our tugboat services, and since then, we have rapidly progressed both internationally and domestically. We closely monitor the developments in the maritime sector in our country in recent years and strive to stay updated by taking necessary steps within our company, PGE Tugs.

We adopt a policy of providing the best service, with a focus on standout tugboat and towing services among the offerings provided to our clients. This principle guides our operations.

Since the inception of our journey, PGE Tugs has consistently demonstrated determination and professionalism, enabling us to accomplish significant projects and reach a competitive level in the maritime sector. We take pride in being among the esteemed companies worldwide and domestically, particularly with our offered tugboat services.
